We have received the Reasons for Decision of Justice Edwards, dated June 20, 2022 regarding certification of the Class Action Lawsuit. Unfortunately, Justice Edwards has decided that the class action cannot proceed.

The team at Scarfone Hawkins and Grosso Hooper Law will meet in the next few days to discuss the Courts decision and to determine what steps, if any, need to be taken with respect to the decision.

The two issues remaining will be costs of the certification motion and an appeal of the decision, if appropriate.

We will provide an update as soon as the team has recommendations.
